Emilgroup's excellence in the ceramics sector is supported by the certification it possesses for its Integrated Management System in the area of Quality, the Environment & Energy, and Occupational Health and Safety. Tangible proof of the significant and constant commitment the group dedicates, with its proactive approach, to these essential themes: complete respect for the highest standards is guaranteed in all phases of the product life cycle, thus protecting the various parties involved in the context in which Emilgroup operates. An integrated management system that consolidates and strengthens the group's competitiveness on the market.

Thanks to the integration and certification of its three management systems (QUALITY - ENVIRONMENT & ENERGY- OCCUPATIONAL HEALTH AND SAFETY) Emilgroup has received the "GOLD EXCELLENCE AWARD" for managerial excellence assigned by the CERTIQUALITY certification institute to companies which excel in this field.
